ABOUT US

Multi Industrial Holdings (Pty) Ltd is a 100% black owned company founded in 2016. We are a company that is passionate about construction, mining and logistics space. Our management team have combined experience of over 12 years in the business. Over the years we have grown to be a leading provider of multidisciplinary comprehensive solutions in multiple industries.

Our onset vision is to provide an integrated and multidisciplinary **"Range of Services"** by providing essential multi-industrial services and optimal solutions which increase productivity and performance for our customers.

We strive to strengthen and consolidate our position in existing markets through focused organic growth. We also work to expand into new markets and enhance operational efficiencies, whilst maintaining a dedicated focus on quality production.

The company provides a wide range of high quality niche products and services, which are underpinned with superior technical expertise, delivery performance and customer service.

OUR MISSION

Our mission is to deliver world-class solutions. To provide the kind of service that will guarantee maximum client satisfaction. This we will achieve with men and women who conform to those standards of work ethics, morality, honesty, dedication, motivation and loyalty as is required by the industry. We recognize that a major consideration is value for money. Our overriding philosophy is to provide a quality, value for money service that reflects the importance we attach in delivering a personalized, professional service.

“ WE AIM TO *CREATE JOBS AND BUILD BETTER COMMUNITIES* ”

"SAFELY, THE ONLY WAY TO WORK!"

That is the motto we live by in our working environment.

HEALTH & SAFETY

At **Multi Industrial Holdings (Pty) Ltd**, our key strategic objective is the achievement of "zero harm". Our site foremen and management ensure that safety is not compromised in any circumstances by taking responsibility for employee safety, leading by example, encouraging positive safety behaviour and discouraging negative behaviour.

Site Foremen apply a policy of zero tolerance to non-compliance with safety standards. The company undergoes regular Safety Audits.

Statement from Chief Operations

We are proud of the great projects we have built and been part of in our history.

Our vast experience includes supply chain, industrial and corporate supplies, logistics, supply and install, building and maintenance.

We have extensive expertise within construction, electrical installations and repairs, furniture supplies, plumbing services, project management and impressive résumé of work for private and public clientele.

We look forward to an opportunity to serve your needs from our range of services in the future.
